

	Monday, 07 September 2015	Tuesday, 08 September 2015	Wednesday, 09 September 2015	Thursday, 10 September 2015
07:00	Registration Arrival Tea / Coffee	Arrival Tea / Coffee	Arrival Tea / Coffee	Registration Arrival Tea / Coffee
07:50		Plenary Lecture 1 Jake Norman Collaborative R&D and commercialisation of OAL Steam Infusion (advanced heating and mixing) for the provision of healthier food products (soups, sauces, ready meals and drinks)	Plenary Lecture 1 Ben Durham The bio-economy strategy: Setting the course for South Africa	ILSI (International Life Sciences Institute)  Post Congress Workshop  Food Innovation / Renovation Enabling Sustainable Future Health
08:00				
08:30	>Welcome Address SAAFoST President Ryan Ponquett	Plenary Lecture 2 Luis Fernandez Innovation to grow: Development of nutritious food formulations with consumer acceptability	Plenary Lecture 2 John Fernstrom Non-nutritive sweeteners: How safe are they, how do they cause sweetness and are they useful in controlling energy intake and body weight?	
08:40	>Welcome Address IFT President Colin Dennis			
08:50	>Welcome Address IUFoST Representative Hongda Chen	Plenary Lecture 3 Hongda Chen Advances in nanotechnology for food applications towards sustainable food systems	Plenary Lecture 3 Ranil Coorey How safe is your chicken "tonight"?	
09:00	Opening Plenary Lecture Nico Kruger Sugar industry: A look into the future	Plenary Lecture 4 Julian May Food insecurity: Are we at risk and what can be done?	Plenary Lecture 4 Lucia Anelich The science behind food safety: Have we lost sight of it?	
09:30	Plenary Lecture 1 Ruth Oniang'o Global visions for the role of food science and technology to meet societal and technological challenges	Poster Presentations		
10:00	Plenary Lecture 2 – Ernest Newbery Memorial Lecture Colin Dennis FutureFood 2050: A new vision on the science of food		Tea / Coffee Break	
10:30	Tea / Coffee Break			
11:00	Parallel Sessions Food, Nutrition, Diet and Well-being Product Development / New Products Functional Ingredients and Foods Waste Management and Environmental sustainability and Water Quality and Safety	Parallel Sessions Dairy Science and Technology Young Scientists Research Section Food, Nutrition, Diet and Well-being cont. Sensory and Consumer Sciences	Parallel Sessions Food Quality and Shelf Life Young Scientists Research Section cont. Food Safety and Risk Management Food Security and Sustainability	ILSI (International Life Sciences Institute)  Post Congress Workshop  Food Innovation / Renovation Enabling Sustainable Future Health
13:00	Lunch Break			
14:00	Parallel Sessions Food Chemistry and Analysis Functional Ingredients in Foods, Ethnic Foods and Advances in Food Packaging Innovations in Food Processing Technologies and Engineering Biofortification and Bioavailability, Food Biotechnology and Food Contaminants and Toxicology	Parallel Sessions Industry Novel Ingredients and Product Showcase Young Scientists Research Section cont. Nanotechnology, Food Structure and Food Systems Sensory and Consumer Sciences cont.	Parallel Sessions SAAFFI Flavour Session Young Scientists Research Section cont. Food Chemistry and Analysis and Innovations in Food Processing Technologies and Engineering cont. Novel Food Ingredients and Additives and Key Consumer and Market Trends	ILSI (International Life Sciences Institute)  Post Congress Workshop  Food Innovation / Renovation Enabling Sustainable Future Health
15:40	Tea / Coffee Break			
16:00	Plenary Lecture 4	Plenary Lecture 5	Plenary Lecture 6	ILSI (International Life Sciences Institute)

	Nigel Sunley Food safety vs. nutrition – are the priorities right?	David Watson Science vs. fiction	Naushad Emmambux Update on dietary fibre issues: Definition, method of analyses, health implication and regulatory aspects	Post Congress Workshop  Food Innovation / Renovation Enabling Sustainable Future Health
16:30	Poster Presentations	<b>Plenary Lecture 6</b> Wendy Knowler Burning food issues raised by consumers	Closing Ceremony and Awards Presentations	
17:00	SAAFoST BGM		Farewell Cocktail	
17:20				
18:00	Welcome Reception			
19:00		Gala Dinner
