Invitation

Dear Food Science Professional,

The South African Association for Food Science & Technology (SAAFoST) will be holding its 21st Biennial International Congress and Exhibition from 6-9 September 2015 at the Southern Sun Elangeni & Maharani Beachfront Hotels in Durban, KZN

The Theme – “Growing Food Science & Technology for a Sustainable Future” – is pertinent in today’s global food industry environment, wherein the industry is facing challenges around health, obesity & resource sustainability. The venue - the subtropical paradise of Durban, with beautiful beaches and numerous sport & food attractions, should provide an excellent backdrop to informative seminars, lively debate and excellent network opportunities, as well as not forgetting to meet up with good friends.

The Congress aims to draw over 500 delegates and will consist of a series of sessions - highlighting local, regional and invited international speakers. It is combined with a trade exhibition, plenary sessions, interactive poster displays and followed with a 1-day post congress workshop on Food Science & Nutrition, in collaboration with ILSI.

We recognise your contribution to the development of food science in South Africa, and invite you to participate in Congress 2015, as your participation and support will ensure an enjoyable and informative experience.

Opportunities for sponsorship, exhibition and invaluable brand exposure, is set out in the prospectus, and we will be delighted to discuss these with you.
